INTERIM ORDER

Sh. Umesh Kumar Prabhakar, H.No.997, Sector-17, Faridabad is a consumer of DHBVN bearing account no. 1202690000 under SDO (OP) Sub Divn., DHBVN, Kherikalan and therefore, the Forum has jurisdiction to hear the complaint.

Complainant has filed the present complaint stating that his grievance related to non-erection and commissioning of adequate electrical infrastructure for the plotted colony across sector 75-89, Faridabad developed by the colonizer M/s Countrywide Promoters Pvt. Ltd. The Colonizer has taken BulkSupply DS connection for 928 dwelling units despite the fact that habitation has now taken place by more than 5000 families and at the onset of summer, there are long power cuts on account of inadequate power supply or inadequate power infrastructure. Moreover, the developer has charged Rs.721/- per square yard from thousands of allottees. This is a sheer case of siphoning of funds collected by the developer for laying inadequate infrastructure. He has requested the Forum to redress his complaint.

The complaint was forwarded to the Nodal Officer for filing the written reply of the Nigam and both the parties were asked to appear before the Forum on 03.12.2020 at Faridabad for hearing of the case.

The first proceeding was held on 03.12.2020 at Faridabad. Complainant and respondent SDO were present. Respondent SDO submitted reply vide memo.no. 4236 dated 01.12.2020 stating that the matter pertains to colonizer M/s Countrywide Promoters. There are various litigations pending at various level against the said colonizer, as such, requested to allow at least four weeks' time for submission of reply. Forum directed respondent SDO to send copy of said complaint to the colonizer seeking their reply on the complaint stipulating the period of not more than 7 days. He was also directed to depute area incharge/JE to verify the facts of complaint as per HERC notification dated 22.4.2020 and thereafter submit detailed reply to the Forum with a copy to complainant before the next date of hearing. Now to come on next date of hearing on 05.01.2021.

Proceeding was held on dated 05.01.2021 at Faridabad. Complainant and respondent SDO were present. SDO submitted reply dated 05.01.2021 stating that as per Forum direction, another notices to M/s Countrywide Promoters Pvt. Ltd. and M/s BPTP Ltd. were issued. But no reply is received till date. The complainant also submitted some queries which were handed over to respondent SDO for reply. The representative of M/s BPTP telephonically requested for another date. Request allowed. Now to come on next date of hearing on 08.01.2021.

Proceedings were held on 08.01.2021. The Complainant, the respondent SDO and Mr. Rajiv Gupta of BPTP / Country Wide were present. Complainant Mr. Umesh Prabhakar raised the issue that despite the infrastructure cost having been recovered from the individual allottees, the developer M/S Country Wide Promoters / BPTP had not erected the requisite electrical infrastructure. He placed on record copies of certain agreement papers between the buyer and the developer to support his argument. Mr. Rajiv Gupta of BPTP submitted that he would come up with a detailed reply by the next date after which the matter can be argued at length. Forum directed Mr. Rajiv Gupta to go through the papers and other verbal submissions made by the complainant and submit their detailed point wise reply before the next date 19.01.2021. Now to come up hearing on the next date 19.01.2021.

Proceedings were held on 19.01.2021 wherein complainant, the developer and the respondent SDO were present. Mr. Gupta from Country Wide Promoters submitted details of the EDC and other charges paid to the state authorities. Copies of the same were also handed over to the complainant. During arguments, it was decided that the complainant and the developer would again sit together on 28.01.2021 and would exchange all other relevant papers in the interest of justice and would also place the same on record of the Forum and that the case would again be heard on 02.02.2021.

Proceedings were held on 02.02.2021 wherein complainant was present but the developer sought some more time to submit some more papers on the issue. Request was granted. Now to come up for hearing on 12.02.2021.

Proceedings were held on 12.02.2021. Complainant, the respondent SDO and Mr. Saxena from the developer were present. The main point of disagreement between the complainant and the developer remained the same. Complainant argued that since the developer had collected all the charges at the time of sale of property, it was duty of the developer to erect adequate electrical infrastructure out of the money so collected whereas the developer argued that since EDC collected by HUDA / DTCP included the charges against necessary electrical infrastructure including HT lines from nearest substation, it was for the government agencies to put in place the adequate electrical infrastructure. On the issue, as again raised by the complainant regarding inadequacy in the infrastructure and the source of supply, the Forum decided that a committee of Nigam officers should visit the area and submit a single line diagram of the system laid so far and the points of measurement of power flow and the billing mechanism. Therefore, the Forum directed XEN Greater Faridabad to constitute a committee of 2 nos. SDOs and 2 nos. JEs to go into the concerns of Forum explained above and to submit a detailed report before the next date of hearing

on 02.03.2021.

Proceedings were held on 02.03.2021. Complainant as well as SDO were present. But from the builder side, a Vakalatnama was received and next date of hearing was sought. On his part, the SDO submitted a brief report on the issues raised by the Forum on the last date of hearing. Even though the report of respondent SDO clarified some important issues, yet it was felt that it lacked in so many ways and there were some very important issues which had not been touched in his report. Therefore, the Forum directed XEN Greater Faridabad Division and the respondent SDO to further conduct a survey of the area and submit a self-speaking report on the following issues:

1. A single line diagram showing the location of single point connection, nos. of plotted colonies / high rise buildings / other areas / societies which are fed from this single point connection
2. Whether, at the entry point of each of these areas as mentioned in para 1 above, any reference meter is installed and working on the basis of which the builder / developer company raises the bills to its residents / occupants
3. Whether the reference meter installed, if any, at the entry point of each of such areas also records the DG set energy or not
4. Are the DG set generated units recorded separately in dual energy meters installed for individual houses and common area power requirements.
5. How does the builder / developer match the total energy billed to them by DHBVN in a month with the sum total of bills of individual consumption of residents every month raised by the builder / developer?
6. Are the dual energy meters installed for recording common area energy functional
7. What is the ratio of domestic energy consumption viz.-a-viz. common area service consumption
8. Checking by committee be done in the shape of checking formats LL 1
9. Any other important point which comes to the notice of committee during checking
10. Name of the agency who raises electricity bills to individual residents and whether it is authorized to do so under the law

The report should be comprehensive and should cover all the above issues listed. Now, the matter to come up for hearing on the next date 16.03.2021.

Proceedings were held on 17.03.2021. The respondent SDO, the Complainant and Advocate of M/s Country Wide Promoters Mr. R P Kansal were present. The SDO informed that they had tried to survey the area and submit the report but there was no cooperation from the developer M/s
