Complainant filed the present complaint stating that around 2 years back, he had received a fictitious bill of Rs. 66 lacs. On his pursuance, the bill was later corrected but while calculating ACD on the basis of previous consumption, the system took into account the fictitious bill also and erroneously charged Rs. 14 lacs as the ACD to be deposited. Since the wrong ACD was placed in the bill itself, a surcharge was also getting levied every month. In addition, his firm was also eligible for a subsidy of Rs. 2/- per unit since 01.11.2018 which was not being given to him as per law. He approached the Respondent SDO office for resolution of his grievance but no action has been taken so far. He requested the Forum to redress his complaint.

Regarding the subsidy issue raised by the complainant, the Forum observed that the complainant has not so far provided any request or proof in support of his claim. The Forum directed the complainant to submit all necessary papers in that regard to the SDO for processing it further and the SDO was directed to entertain the claim on the basis of proof and papers so submitted by the complainant. Also, so far as withdrawal of wrong ACD and overhauling of account is concerned, the SDO should take up the matter personally with CBO to get the grievance redressed within next 15 days. Now to come up for hearing on 24.04.2021.

Proceedings were held on 17.06.2021. SDO did not submit any reply. Complainant was not present. The Forum directed SDO to take up all the issues personally with CBO and dispose of the complete matter within next 15 days, Next to come up for hearing on 20.07.2021.

Proceedings were held on 23.07.2021. SDO submitted reply vide memo no. 506 dated 23.07.2021 stating that the case for refund and levying of Rs. 2/- as subsidy has been resolved and will be effected from the next bill. But so far as the issue of wrong charged ACD was concerned, the matter is pending with CBO. The Forum directed SDO to take up ACD issue personally with CBO and dispose of the complete matter within next 15 days, Next to come up for hearing on 19.08.2021.

Proceedings were held on 22.08.2021. SDO submitted reply vide memo no. 712 dated 19.08.2021 stating that the case for refund and levying of Rs. 2/- as subsidy has been resolved and that the arrear of subsidy would also be resolved within a day. But so far as ACD adjustment was concerned, the case was still pending with CBO and would take another around 15 days to get the amount corrected. The Forum directed SDO to take up the ACD issue personally with CBO and dispose of the complete matter within next 15 days, Next to come up for hearing on 22.09.2021.

But so far as ACD adjustment was concerned, the sundry items have been prepared for Rs. 1277897/- on account of ACD, Rs. 214173/- as surcharge refund and the case was pending with CBO and would take another around 15 days to get the amount corrected. The complainant said that the sundry entries made do not cover the full amount to be refunded and there was still a gap of around Rs. 2 lacs.
