

DAKSHIN HARYANA BIJLI VITRAN NIGAM

Instruction No.- 11 /2006/PD&C

From

The Chief Engineer/PD&C,
(Plg. & Design), DHBVN, Hisar.

To

The Chief Engineer (OP),
DHBVNL, Delhi.

Memo No.Ch- 28/DD-169

Dated : 27.07.2006

Sub : Conversion of L.T. Distribution System into HVDS system under Operation Circle, Narnaul - Pilot Project.

The Nigam intends to convert LT Distribution System to HVD System. A pilot project is required to be carried out to study the pros and cons of HVD System before final implementation.

11 kV Seka feeder, falling under Operation Division, Narnaul, has been selected for the conversion of L.T. Distribution system into HVD System as Pilot Project.

The HVD System shall be laid on Rajasthan Model Project by providing Single phase 11/0.440 kV DTs.

The work shall be got carried out through the registered /enlisted contractor of Rajasthan on the same rates of labour, terms and conditions of AVVN Khetri as labour rates.

The total cost of the project shall be restricted to Rs. Thirty Lacs only.

This issues with the approval of Whole Time Directors of DHBVNL.

Chief Engineer/PD&C,
DHBVN, Hisar.
