

DAKSHIN HARYANA BIJLI VITRAN NIGAM

Instruction No. 21 /2006/PD&C

From

The Chief Engineer/PD&C,
DHBVN, Hisar.

To

All S.E.s(OP) Circle, in DHBVN.

Memo No.Ch-75/DD-169

Dated : 16.11.2006

Sub : Installation of Meters outside the premises of the consumers.

As it has been decided by the management to bring all the meters outside the premises of the consumers, so this work may be got done through turnkey basis by your office. However, the following qualifications may be sought from the Bidders:-

- 1- He must have LT Licence (Class-A) from the Chief Electrical Inspector of Haryana Govt.
- 2- He must have technical experience of LT works/ similar type of works of atleast 2 years.
- 3- The Bidder shall have the minimum average annual turnover of Rs. 10 Lacs for the last 2 years.

All the other terms and conditions should be as per Schedule-D(III) of the Procurement Manual of DHBVN.

It is desired that this work may be started at the earliest and the instructions must be given to the concerned officers for sealing of the meters immediately after the installation of the meters. Laxity on the part of the sealing of the meters will lead to disciplinary action against the defaulting officers/officials.

Consolidated progress of Circle as a whole must be sent to this office in the first week of every month so as to put up the same to the management.

Superintending Engineer/Design,
For C.E./PD&C, DHBVN, Hisar.

Copy to the :
