All C.E.s(OP) in DHBVNL.
All S.E.s(OP) in DHBVNL

Memo No.Ch-_____/

Dated : _____.7.2006

Sub : Turnkey Works-II

In continuation to this office memo No. Ch-7/DD-169 dated 29.6.2006

Due to the critical availability of Distribution Transformers in the Nigam, the Management has decided that while preparing the NIT, the scheme for turnkey works may be expanded to include 3 phase, 5 KVA, 10 KVA, 16 KVA, 20 KVA T/Fs also, with Cold Rolled Grain Oriented Core without completely self protected features, in the scope of work till above capacity transformers are available in the stores. The specifications of above transformers capacity adopted by DHBVNL are available on www.dhbvn.com. Necessary action in the matter may be taken accordingly.

This issues with the approval of M.D. DHBVNL, Hisar.

Chief Engineer/PD&C,
DHBVN, Hisar.
