Memo No.: Ch- 147/DD-169/Vol.-II

Dated: 11.04.2011

Subject: Norms for erection charges and various over-head charges for preparing cost estimates for turnkey works and deposit works.

Please refer to the instruction No. 6/2011/P&D issued vide this office memo no. Ch-146/DD-169/Vol.-II dated 07.04.2011 on the above subject:

The norms for erection charges and various over-head charges for preparing cost estimates for turnkey works and deposit works, circulated above memo No. have been amended as follows:

1. Erection Charges for Power transformers, Distribution transformers VCBs and all type of cables (HT / LT Cables) as well as control cables be taken as 2 % cost of material, issued by P&D wing from time to time.
2. Erection charges for balance S/Stn items be calculated @ 6% of cost of material. However, no erection charges shall be payable for the items such as fire extinguishers, table-chair, charts, medical and tool kits etc which don't require any erection/Minor erection.
3. Erection Charges for 33 kV line and 11 kV line be taken @ 10% of cost of material.
4. Overhead charges @15% of the cost of material shall be continued to be charged, for all purposes, as was done prior to Instruction No. 1/2011/P&D. However, all the tenders floated and processed after 03.01.2011 & up to 07.04.2011, shall be finalized after loading overhead charges @ 15% of cost of material , for comparison purposes only and future estimates shall be prepared after loading overhead charges.

All the previous instructions/ orders stand superseded by the above instruction with immediate effect.

The above instruction may be got noted from all concerned for meticulous compliance.

This issues with the approval of the WTD of DHBVN, in its meeting held on dated 06.04.2011

Chief Engineer/P&D,
DHBVN, Hisar
