**Memo No.Ch-16/SE/C/R-16/372/15**

**Dated: 23/04/2019**

**Subject: Mhara Gaon Jag Mag Gaon - Amendment.**

Please refer to Sales Circular No D-25/2015 dated 24/07/2015 vide which Mhara Gaon Jag Mag Gaon Scheme was launched in DHBVN. The intent of the scheme was to curb power theft, improve billing efficiency, quality of service to the consumers and to allow increased supply hours to villages where there is decrease in losses and improvement in collection efficiency is observed.

The paras at Sr. No. 5 of the aforementioned circular stipulate as under:-

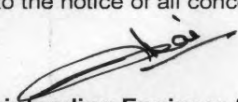

***5. For measuring the power supplied to the village the meters shall be installed on all the points from which 11 KV lines goes into the village. After allowing for the specified quantum of technical losses below 20%, if the village pays bills to the extent of 90% of power supplied, their electricity supply will be increased from 18 to 21 hours. After the defaulting amount of the feeder remains less than 10%, 24 Hours supply will be provided."***

It was however noticed that there were feeders which had opted for MGJG scheme and where considerable progress had been made in the implementation of the scheme. Although the AT&C losses on these feeders had decreased considerably and collection efficiency had also improved, yet the progress was not to the extent to entitle these villages for 24 hours supply strictly as per the benchmarks set in the said sales circular.

In order to promote MGJG scheme in the Nigam, it has been decided to relax the conditions mentioned at Sr. No. 5 in Sales circular D-25/2015 to the extent that supply hours may be increased on the RDS feeders where work under MGJG has been completed and there is substantial reduction in T&D losses and an increase in collection efficiency. The BODs of UHBVN in its meeting dated 26/03/2019, has granted ex-post facto approval to these amendments.

Other terms & conditions of Sales Circular No. D-25/2015 shall remain unchanged.

The above instructions may be brought to the notice of all concerned for strict and meticulous compliance.
