Subject: Policy of release of tubewell connections with 5 Star Energy Efficient Pumpsets - amendment thereof.

Please refer to Sales Circular No. D-30/2019 dated 06/09/2019. The issue of release of tubewell connections is under consideration of the State Govt. for quite some time. In order to expedite the release of tubewell connections, State Govt. has decided to make the following amendments in the provisions mentioned in Sales Circular D-30/2019: -

1. Seniority shall henceforth be made Sub-Division wise instead of DISCOM wise.
2. The tubewell connection to the applicants, who have already deposited motor cost as well as estimated cost and motors have been received be released as per sub-division wise seniority.

Sales Circular D-30/2019 stands amended to the above extent only.

The above instructions should be brought to the notice of all concerned for careful and meticulous compliance.
