JE-I Incharge Sub Office in DHBVNL

Memo No.ch- 15//SE/Comml/R-17/3/2007

Dated: - 9.3.2007

Subject: Bill procedure for part period on new connection or disconnection at consumer request.

S.M.I.6.9 provides the detailed procedure for billing of new connection/disconnection at consumer's request when the period is less than of a month. The relevant para-A (i) & (ii) of SMI 6.9 is re-produced as under:-

- (i) ***"The MMC should be increased/decreased on pro rata basis depending upon the number of days for which billing is required to be made for all categories of consumers except DS & NDS.***
- (ii) ***In case of DS & NDS categories, the consumption slab as well as MMC shall be reduced to 50% in case billing period is 15 days or les. If the billing period is more than 15 days but less than a month billing is to be done on normal tariff. For the period more than a month the same procedure may be allowed for the period in excess of one month.***

The Nigam has reviewed the matter and decided that the billing of DS/NDS category of consumer in the case of new connection/disconnection may also be made on pro rata basis as per procedure laid down in respect of other categories of consumers. The revised instructions are as under:-

"The MMC should be increased/decreased on pro rata basis depending upon the number of days for which billing is required to be made for all categories of consumers".

Sub-clause (i) under para-A of SMI 6.9 is amended to the above extent besides deletion of sub-clause - (ii).

The above instructions should be got noted from all concerned for meticulous compliance.
