From

The Chief General Manager/Commercial,
DHBVNL, Hisar

To

All CGMs/GMs/DGMs/AGMs/OP,
FMs-I, Incharge in DHBVNL.

Memo No. Ch- 22/SE/CommI/R-17/43/2006 Dated: - 7/5/2007

Subject: Guidelines/Modalities for release of electric connections in Police Line Colonies/other Govt. Colonies

This is incontinuation of Sales Instruction No. 36/2006 dated 16/6/2006 vide which Govt. Colonies (both central and State and also CPSUs / SPSUs) were allowed either to take B.S. Connections as per existing instructions or take individual connections as per guidelines contained therein.

The matter of individual connections on HVDS in such colonies has been reviewed by the management of the Nigam, in view of the Director General of Police Haryana DO No. 79/HPHC/07/PA dated 2/5/2007 vide which he has intimated that Haryana Police Housing Corporation has already laid the infrastructure as per old norms of the Nigam, much before issue of ibid Sales Instruction of Police line Rewari, RTC, Bhondsi, Police lines Bhiwani, Fatehabad, Sirsa and New Jail complex at Ballabgarh and requested not to insist to dismantle their old infrastructure on old norms & it has now been decided as under :- .

- I. Nigam shall energize the above residential areas of Jails / Police line by giving individual connections on LT line and not to insist to the police department to dismantle their old infrastructure for conversion to HVDS.
- II. The energy meters shall be installed on the main road in mild steel pillar boxes/single meter boxes under the LT line already laid down by HPHC.
- III. The meters so installed shall be sealed by the Nigam during installation, to avoid chances of theft of energy.
- IV. The mild steel meter boxes (single or multiple) be procured by HPHC as per Nigam's specification available on website www.dhbvn.com and installed on the poles.

The ibid instruction is amended to the above extent.

The above instructions should be brought to the notice of all concerned for careful and meticulous compliance.
