Memo No.Ch- 35/SE/COMML/R-17/20/2006/S/I Dated: 8/8/2007

**Subject: Policy in respect of essential feeders**

Nigam is of the view that there are certain categories of consumers who have to be given essential supply status in view of their strategic importance, emergent nature of services and economic importance.

With a view to ensure proper classification of essential supply feeders, the following type of consumers/load have been identified as essential category, by the Nigam:

1. Water Works, Water treatment Plants, Boosting Stations, Disposal Works of all Departments like Public Health, HUDA, Municipal Committees and Municipal Corporations and village Panchayats.
2. Government/Private Hospitals, Medical Institutions, Medical Research Institutes etc.
3. Railway establishments and Traction loads.
4. All types of Defence establishments including Army/Navy/Air Force/Para-Military (e.g. Cantonments, MES, BSF, CRPF etc)
5. Lift irrigation scheme and other important irrigation establishments
6. All India Radio and Door Darshan Kendra's, Communication Towers Public/Private.
7. Oil Refineries, their pumping units and their establishments, LPG refilling stations.
8. P&T establishments including BSNL/VSNL/MTNL etc.
9. Continuous process industries like Milk Processing Plants, PP Yarn and Textile Spinning / Weaving Mills.
10. Civil Secretariat, Circuit Houses and Government/Nigam establishments.
11. District Jails and other Jails.
12. Educational Institutions like Universities/National Institutes of Technology and State Training Institutions.
13. Sub Stations and office-cum-residential complexes of Haryana Power Utilities, and CPSUs like Power Grid Corporation, NTPC and NHPC etc.
14. Any other category with the permission of head office, which will be decided on merit.

The above category of consumers/loads load must be having their independent feeder on 11 KV and above voltage for qualifying under essential load category.

Where the independent feeders have not been obtained by any of the above organization/consumers, due intimation be given to the concerned consumers for making their own arrangements of power supply (separate independent feeder).

This supersedes Sales Instruction No. 31/2007.

This should be brought to the notice of all concerned for careful and meticulous compliance.
