Memo No. Ch- 43/SE/Comml./R-17/18/2007S/C Dated: 26/9/2007

Subject: - Providing of MCCB on NDS connections in the Nigam.

It is general practice in the field that NDS consumers extend their load unauthorizedly without intimation to the Nigam. To curb such practice, it has been decided by the Nigam as under:-

1. No new connection of NDS category having load upto 35 KW shall be released without providing MCCB.
2. MCCB commensurating with sanctioned load should be provided at the outgoing cable of the meter. The capacity of MCCB may range from 0-2 KW, 2 to 5 KW, 10-15 KW, 15 to 20 KW and so.
3. MCCB cost shall be borne by the consumer in case of new connection.
4. In case of existing connections having load upto 35 KW the cost of MCCB shall be borne by the Nigam.

The above instructions should be brought to the notice of all concerned for careful and meticulous compliance.
