Memo No. Ch- 44/SE/Comml./R-17/35s/2007 Dated: 3/10/2007

Subject: - Reading of 11 KV feeders having separate ledgers – all consumer meters on a feeder to be read in one/two days

As per direction of Haryana Electricity Regulatory Commission, the task of preparing 11 KV feeder wise consumer ledgers was to be accomplished by August-2007 and compliance report was to be submitted to the Commission, immediately thereafter. It is hoped that the compliance of the directive of the Commission has since been made by you

In the Operation Review Committee meeting, of DHBVN, held at Gurgaon on 30.9.2007, procedure for taking reading of such feeders was discussed and decided as under:-

1. The reading shall be taken by HESL/ Nigam's employees as per instructions in force.
2. The reading of each feeder shall be taken in one day or two days maximum.
3. As the timings are an important aspect for proper energy auditing of such feeders, the readings of all the consumers of the particular feeder shall be taken within shortest period by reading every day from 8.00 AM to 6.00 PM. The reading of that particular feeder meter shall be taken thrice on that day covering the reading period of that feeder i.e. first reading be taken at 8.00 AM, second at mid time i.e. 13.00 noon and 3rd at 6.00 PM. This is for the purpose of energy audit of the feeders.
4. The energy audit of these feeders shall be monitored by GM/Energy Audit DHBVN, Hisar.

The above instructions should be brought to the notice of all concerned for careful and meticulous compliance.
