Memo No. Ch- 45/SE/Comml./R-17/18/2007 Dated: 4/10/2007

Subject: Inspection of Distribution Transformers by DGM/OP at the time of energisation.

It has been observed that the new Distribution Transformers are being energized in the field without prior approval & inspection of concerned DGM/OP.

The matter has been reviewed by the Nigam's management and decided as under:

In future no new Distribution Transformer shall be energized without the prior approval & inspection of concerned DGM/Operation.

The Distribution Transformer installed by construction wing of Nigam consumers or through trunking contractors shall also be inspected by the concerned DGM (OP) before energisation.

The above instructions should be brought to the notice of all concerned for careful and meticulous compliance.
