**Memo No. Ch- 30/SE/C-R-16/94/2004/F-5**

**Dated : 30/12/2011**

**Subject: Release of power connections to the Tubewells under modified scheme.**

Please refer to Sales Circular No. D-23/2011 vide which clarification on Release of power connections to the Tubewells under modified scheme was given. Clause – A (ii) and B (ii) of which are reproduced as under:-

**Clause- A (ii) :-**

This option shall also be applicable to the prospective consumer who come forward in group of four or more to release the connection. Such connection shall be released after installation of common T/F of adequate capacity. The T/F shall be installed at the load centre. The cost of HT line @ Rs. 7000 per HT Span shall be equally shared among the applicants in addition to Rs. 20, 000 each applicant however, the cost of LT line (Rs. 7000 per LT span) shall be borne individually by each applicant.

**Clause-B (ii) :-**

Group of consumers (Two or three) shall be covered under this option. The total cost of HT line on account of Rs. 7000 per HT Span shall be equally shared among the applicants in addition to Rs. 30, 000 and cost of individual LT line i.e. (Rs. 7000 per LT span) shall be borne by each applicant.

**Keeping in view the demand of consumers, it is decided that connections falling under clause - A (ii) & B (ii) mentioned above, can also be released under Self-execution Scheme & no additional cost except supervision charges @ 1 ½ % shall be levied. The T/F shall be installed at the load centre. Nigam shall be at liberty to release further connection on this transformer. The connection of the group under self execution shall be released strictly as per their seniority.**

The Ibid Sales Circular is amended to this extent only.

The above instructions should be brought to the notice of all concerned for careful and meticulous compliance with immediate effect.
