**Memo No. Ch- 8/GM/Comml./ R-17/ 699/F-22**

**Dated: 19/5/2011**

**Subject: Conversion of feeding source from Rural to Urban mode viz-a-viz redefining of MC limits.**

The state Govt. has approved vide FC&PS (Power) memo no. 16/72/2010-4 dated 20.01.2011 the supply on urban mode to the areas (villages/town/localities) falling within redefined municipal limits subject to the following:-

1. That concerned Municipal Corporation would bear the cost of laying of infrastructure to extend the urban mode supply to these villages/colonies. In case funds are insufficient with the Municipal Corporation, they may approach the State Govt. for funds.
2. Beneficiaries/residents would themselves clear the arrears/defaulting amount.
3. Beneficiaries to maintain 95% or more collection efficiency over the last three months.
4. Beneficiaries will allow install/replace electronic (static) meters in place of electro-mechanical meter.
5. Meter would be relocated to outside premises.
6. Beneficiaries would not object to laying of HVDS/ABS.
7. No Tube well connection would be permitted on the feeder.

The above instructions may be brought to the notice of all concerned for meticulous and careful compliance.
