To

All CEs/SEs/XENs/SDOs/OP,
JEs-I Incharge Sub office, in DHBVN.

Memo No. Ch-21/GM/C/R-17/699/F22

Dated: 9/9/2011

Subject: - Conversion of feeding source from Rural to Urban mode.

Please refer to Sales Instruction No. 3/2007 and 37/2007 vide which it was issued that power supply to such villages shall be given on the urban mode who have given land free of cost for construction of 33KV and above S/Stn. which located within 2KM from the village.

The issue has been considered by the State Govt. & it has been approved as under:-

The power supply to the villages which gives land free of cost to the transmission & distribution utilities for construction of substations irrespective of the voltage levels be given power supply on urban mode as per prevalent instructions of the Distribution Companies subject to the condition that collection efficiency should be atleast 75% instead of earlier limit of around 90%.

Accordingly Sales Instruction No. 3/2007 and 37/2007 is amended to the above extent.

The above instructions may be brought to the notice of all concerned for strict compliance.
