**Memo No. Ch- 24/SE/C-R-17/46/2010/F-33**

**Dated : 17/11/2011**

**Subject: Conversion of existing L.T. Industrial connections with load between 50 KW to 70 kW to H.T category.**

Please refer to Sales Circular No. D-24/2011 dated 9/9/2011 vide which the existing consumers with connected load between 50 to 70 KW still continuing to get power on LT was asked to get converted to HT within 3 months.

The Commission has decided vide its order dated 24/10/2011 (available at website [www.herc.nic.in](http://www.herc.nic.in)) that ***the affected consumers may be given additional time of six months (from the date of this order) or until the issue of tariff order by the Commission for Distribution and retail supply for FY-2012-13, whichever is later for conversion to HT Supply. 25% LT surcharge would not be leviable during this period to these consumers.***

In view of above order, it has been decided that the date for conversion is extended upto 23/4/2012 and during this period 25% LT surcharge on the SOP/MMC would not be levied to these consumers.

The ibid Sales Circular No. D-24/2011 is amended to this extent only. .

The above instructions may be brought to the notice of all concerned for careful and meticulous compliance.
