**Memo No.Ch-17/GM/C/R-17/12/2007/S/C/F-24      Dated: 15/10/2013**

**Subject:      Connecting Electrified Dhanis to the Rural Domestic Feeder.**

Please refer to SC No.D-26/2013 dated 30/5/2013 vide which scheme for electrification of Dhanis, which are electrified and presently connected to AP feeders were circulated.

As per the decision of the UHBVN ORC meeting held on dated 23.08.2013 it was directed that the SEs(OP) conduct a day time survey of a few Dera/ Dhanis to ascertain their load, which would assist in calculating the capacity of the Special Single Phase DTs to be installed for connecting these Dera/Dhanis as per Gujarat Model. **It was also decided that the prevailing instructions of the Nigam for accepting 5% expenditure of the installation from the beneficiaries be suspended till the new plan for providing single phase supply to Dhanis is implemented.**

The above instructions should be brought to the notice of all concerned for careful and meticulous compliance.
