JEs-I, Incharge Sub office, in DHBVN,

Memo No. Ch-1/SE/Comml./R-17/356/2005/F-18

Dated: 14/1/2015

Subject: Release of Pending HT connections in the lean period.

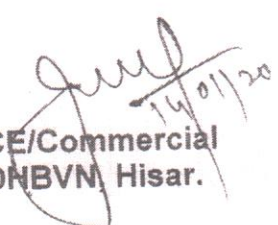

In continuation to Sales Instruction No. 21/2014 issued on the subject matter, it has also been decided that this relaxation shall also be applicable to extension of load cases under HT category subject to ceiling of total sanctioned load upto 1 MVA.

For illustration, if the consumer having sanctioned load of 400 KVA applies for extension of another 500 KVA load then the load to be sanctioned under this scheme shall be 400+500 KVA i.e. 900 KVA. However if the consumer is having sanctioned load of 700 KVA and applies for extension of another 500 KVA then the load to be sanctioned under this scheme shall be 700+300 KVA i.e. 1000 KVA (being ceiling of 1 MVA).

The new connection presently been released under Sales Instruction No. 21/2014 shall not be eligible for further extension of load under this scheme.

'This sales instructions does not infringe (directly or indirectly) any part of the tariff order issued by the Commission.'

The above instructions should be brought to the notice of all concerned for careful and meticulous compliance with immediate effect.
