Sales Instruction No. 17/2015

From

CE/Commercial,
DHBVN, Hisar.

To

All CEs/SEs/XENs/SDOs/OP,
JEs-I, Incharge Sub office, in DHBVN,

Memo No. Ch-17/SE/Comml./R-17/Loose/323/2014

Dated: 24/9/2015

Subject: Conversion of feeding source from Rural to Urban mode viz-a-viz redefining of MC limits.

Please refer to Sales Instruction No. 8/2011 dated 19/5/2011 vide which guidelines duly approved by State Govt, were circulated regarding providing Urban mode supply to the areas (villages/town/localities) falling within the redefined Municipal limit.

Now, the matter has been reconsidered in the MDs Coordination Committee meeting held on 18.08.2015 and the revised guidelines duly approved by Worthy ACS (Power) are as given below:-

- a. The expenditure incurred in laying the new infrastructure to extend the urban mode supply shall be borne by the Nigam/Discoms.
- b. All the defective meters / electro mechanical meters shall be replaced with electronic meters and installed outside the premises.
- c. HVDS /LVDS shall be provided as required.
- d. The AT&C losses of the area should not be more than 20%.
- e. The beneficiaries / residents would themselves clear the arrears /defaulting amount.
- f. There should be electric connection in all the households.
- g. All the meters would be relocated outside the premises.
- h. No tube well connection would be permitted on the feeder.
- i. HT meter shall be installed at the entry point of each village.

The supply on Urban mode shall commence after competition of aforesaid works, especially relocation of meters outside the houses, installation of AB cables and energy accounting measures.

Sales Instruction No. 8/2011 is superseded.

The above instructions may be brought to the notice of all concerned for strict and meticulous compliance.
