Memo No. Ch-7/SE/Comml./R-17/736/F-21

Dated: 13/7/2016

Sub: Regarding minimum agriculture land required for release of tube well connection to a general category person.

Please refer to Sales Instruction No. 4/2015 dated 31/3/2015 vide which it was decided that the minimum land requirement for applicants seeking Tubewell connections under non priority category (i.e. except SC/Handicapped / disabled category) is to be kept as Two acres.

In view of representation received from different quarters, the matter has been reviewed and it has now been decided that the minimum land requirement for applicants seeking Tubewell connections under non priority category (i.e. except SC/Handicapped / disabled category) shall remain as 2 Acre subject to the terms and condition stated as under:-

"The tubewell connection can be released in non-contiguous agricultural land less than two acre provided the total minimum agricultural land holding in the name of applicant (either individually or in joint holding) in the revenue estate of the same/adjoining village is not less than two acre. However, a certificate of the Agriculture Department (GOH) will be obtained from the applicant stating that the water available in the main stretch of agricultural land possessed by applicant is not fit for irrigation purpose."

Sales Instruction No. 4/2015 is amended to this extent only.

This sales instructions does not infringe (directly or indirectly) any part of the tariff order issued by the Commission

The above instructions should be brought to the notice of all concerned for careful and meticulous compliance with immediate effect.
